# Minutes for Meeting Wednesday 4th Jan 2023 – 20:45PM AEDT

Attendance: Andrew Jovanovic, Christopher Watts, Sasha Bekier, Troy Kirk & Fawaz Jeneby

Apologies: None

Absent: Jericho Irlanda.

**Agenda**

Progress on interview subject - Troy to report - Figure out time and questions to ask
Assignment 1 feedback
Industry data - Sasha to report
IT Tech choices - are we progressing?
Project - do we have a plan?
Group Name - Do we have a project?
Next Chair

**Minutes**

Meeting called to order by Chris.

Troy has been able to lock in his interview candidate. Decision made to interview after the next Saturday morning meeting – Troy to confirm. Confirmed 5/1/23.

Sasha to start an Interview Questions thread in prep for the interview on Saturday

Andrew to take on the Natural language topic from Industry research. Sasha to drop Raspberry Pi in favour of the IT Jobs section.

Sasha to break up the whole assignment into bite sized pieces for allocation via teams conversation

All agree that we should have first drafts ready for our sections by the next meeting.

All agree that we should go with Chris' project idea, IC Diary for Interstitial Cystitis sufferers.

Group name – All agree to bring a name or two for consideration at next meeting.

Andrew to set up Github repo – All to start uploading their draft documents to the repo ASAP.

Group reflection section added to Agenda, wound into above break down of tasks job.

Next Meeting Saturday 7th Jan at 10:00 AEDT – followed by interview appointment.
